

Resources At the Center

- Developmental screenings and assessments help determine each child's needs
- Individualized behavioral support strategies for school and home
- Transition planning support and linkages with Head Start and PreK services
- Ongoing opportunities to meet and strategize on each child's educational needs and linkages to services
- Information about alternative educational options for your child

The Linda Ray Intervention Center (LRIC) is a University-based Multidisciplinary Educational Services Center within the Department of Education's Florida Diagnostic and Learning Resources System. Additionally, the LRIC is one of the five Early Intervention Birth-Two Programs in Miami within the state's Early Steps program for young children with disabilities. The LRIC is part of the Department of Psychology within the College of Arts and Sciences. Our mission is to support and facilitate positive developmental outcomes with high quality services, thereby improving young children's school readiness, and future student achievement.

Happy Holidays!

Thank you volunteers from the Adrienne Arsht Center and Linda!

As we welcome the holiday season, we can remind ourselves of the values and goals we share for you and your children. We ask that you recommit, as well, to providing the support your children need to do their best every day in school. We believe that all children can reach their potential with a strong school-home partnership. Think about the little things that make a difference in your child's school experience.

Thank you Judge Lederman. Happy Retirement!

Thank you UM President staffers!
